Capstone Title Partners with Austin Pathways

Central Texas title company supports nonprofit promoting education of low-income Austinites

Capstone Title, a full-service real estate title and closing services company in Austin, Texas, today is happy to announce a partnership with Austin Pathways, a nonprofit organization promoting the education of low-income Austinites in public and assisted housing, with a \$10,000 donation. Austin Pathways, a subsidiary of the Housing Authority of the City of Austin (HACA), works to expand digital inclusion, job training, and educational opportunities for HACA's 19,000 residents.

"We're so excited to support this wonderful, community-focused organization and spread the word so more people can know about them," said Capstone Title CEO and President Brad Compere. "Not only is Austin Pathways a real estate-related organization – but they are a perfect fit for our values – community, service, and helping people achieve their full potential."

In addition to their partnership, the Capstone team plans to volunteer with Austin Pathways throughout the year. The donation will help seven to 10 Austin Pathways scholars, helping them grow, break the cycle of poverty and contribute to Austin's rich social, cultural and economic life.

"We are proud of our partnership with Capstone Title," said Austin Pathways Executive Vice President Sylvia Blanco. "Capstone is a premier real estate organization that is stepping up its leadership in our community to help more low-income persons in need. We look forward to working with the Capstone team on volunteer opportunities, including mentorship of Austin Pathways scholars."

Austin Pathways is a 501(c)(3) nonprofit organization that promotes the education and general welfare of low-income Austinites who live in the 18 public housing communities owned and operated by HACA and those who participate in its Housing Choice Voucher program. Austin Pathways supports scholarships, youth academic enrichment, workforce development, and health and wellness initiatives. For more information, visit austinpathways.org.

HACA is a public unit of government established in 1937, separate from the City of Austin. HACA's mission is to cultivate sustainable affordable housing communities and partnerships that inspire self reliance, growth and optimism. For more information, visit www.hacanet.org.

When you think of a title company, you may think of transactions – not relationships. **Capstone Title** sees it differently. In fact, Capstone Title's core values revolve all around love: They love being open and honest, they love their team members and clients, love serving others, and love learning and growing. Led by experienced attorneys Brad Compere and Billy Mullens, along with Texas Representative Eddie Rodriguez, the Capstone Title team provides REAL value and love to real estate transactions across Central Texas.
