HACA TO HOST 26TH ANNUAL SENIOR MAYFEST

WHAT: Rep. Lloyd Doggett and Austin Mayor Steve Adler will join the Housing Authority of the City of Austin (HACA) to celebrate National Older Americans Month at its 26th annual Senior Mayfest. Each May, HACA's senior citizens enjoy an afternoon of fun and fellowship complete with games and entertainment, as well as a resource fair by local service providers who cater to this growing population.

WHEN: 11 a.m. to 2 p.m. Friday (May 11)

WHERE: American Bingo Hall, 1919 E. Riverside Dr.

EVENT: Entertainment will include local animal performance act, Circus ChickenDog. Residents will also have the opportunity to participate in face painting, games and a raffle. All elderly HACA residents and persons with disabilities living at HACA properties are welcome to participate in this free event and enjoy lunch.

HACA expects more than 250 people will help celebrate this year's theme, "Life's a Carnival." In addition, 20 vendors will showcase various resources available to Austin seniors and will give participants an opportunity to connect with programs or services they may otherwise not have known existed.
