SUMMARY

Background:

Austin Affordable Housing Corporation is being presented with an opportunity to partner with Dominion a property located at approximately 4509 E. St. Elmo Road, Austin, TX 78744 (Southeast Austin). The project (Signature at Franklin Park) consists of 163 family apartment units. There is a Land Use Restriction Agreement (LURA) on the property restricting units to the following rent/income restrictions: 26 units at 30% Area Median Income (AMI), 52 units at 40% AMI, 52 units at 50% AMI and 33 units at market rate. The nearest properties in AAHC's current portfolio are: Lexington Hills located at 2430 Cromwell Cir, Austin, TX 78741 (to the North) and Pointe and Villages of Ben White located at 7000 East Ben White Blvd, Austin, TX 78741. This property was presented to the Board in February for approval to enter into the partnership with Dominion as the General Partner.

Process:

The development will use a mixture of 4% tax credits and bonds to finance the redevelopment with a total project cost of approximately \$28,000,000. The property currently has many unit amenities including fully

equipped kitchens with dishwashers and disposals, built-in microwaves, private patio or balcony and washer and dryer connections. The property also has many common area amenities including a pool, playground, club room, business center, laundry facilities and a supportive services room. This redevelopment will allow for necessary upgrades and improvements to the development. All units will be marketed to HACA's Housing Choice Voucher residents.

HACA, through its Public Facility Corporation will issue tax-exempt bonds in an amount not to exceed \$15,000,000. In the January 30, 2019 HACA Board Work Session, the Board set out affordability goals for future acquisitions and developments for AAHC. By serving families with incomes at 60% and below Area Family Median Income, Signature at Franklin Park meets these targeted affordability goals.

Resolution Declaring Intent to Issue Bonds to Provide Financing for a Multifamily Residential Rental Development for Persons of Low and Moderate Income (Signature at Franklin Park); Prescribing Certain Terms and Conditions of such Bonds; Authorizing the Filing of an Application for Allocation of Private Activity Bonds with the Texas Bond Review Board; and Containing Other Provisions Relating to the Subject

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Austin (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Austin Affordable PFC, Inc., a nonprofit corporation (the "**Issuer**");

WHEREAS, on November 5, 2012, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, Austin Leased Housing Associates III, Limited Partnership, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "**User**"), has requested that the Issuer finance a low income multifamily housing project consisting of up to approximately 163 units to be located at approximately 4509 East Saint Elmo Road, Austin, Texas 78744 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$15,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or

an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review Board (the "**TBRB**") for a reservation of state ceiling available to "**private activity bonds**" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

- (a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.
- (b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.
- (c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.
- (d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and
- (iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the

state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.
- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders

thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$15,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review

Board (the "TBRB") for a reservation of state ceiling available to "private activity bonds" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

- (a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.
- (b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.
- (c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.
- (d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.
- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

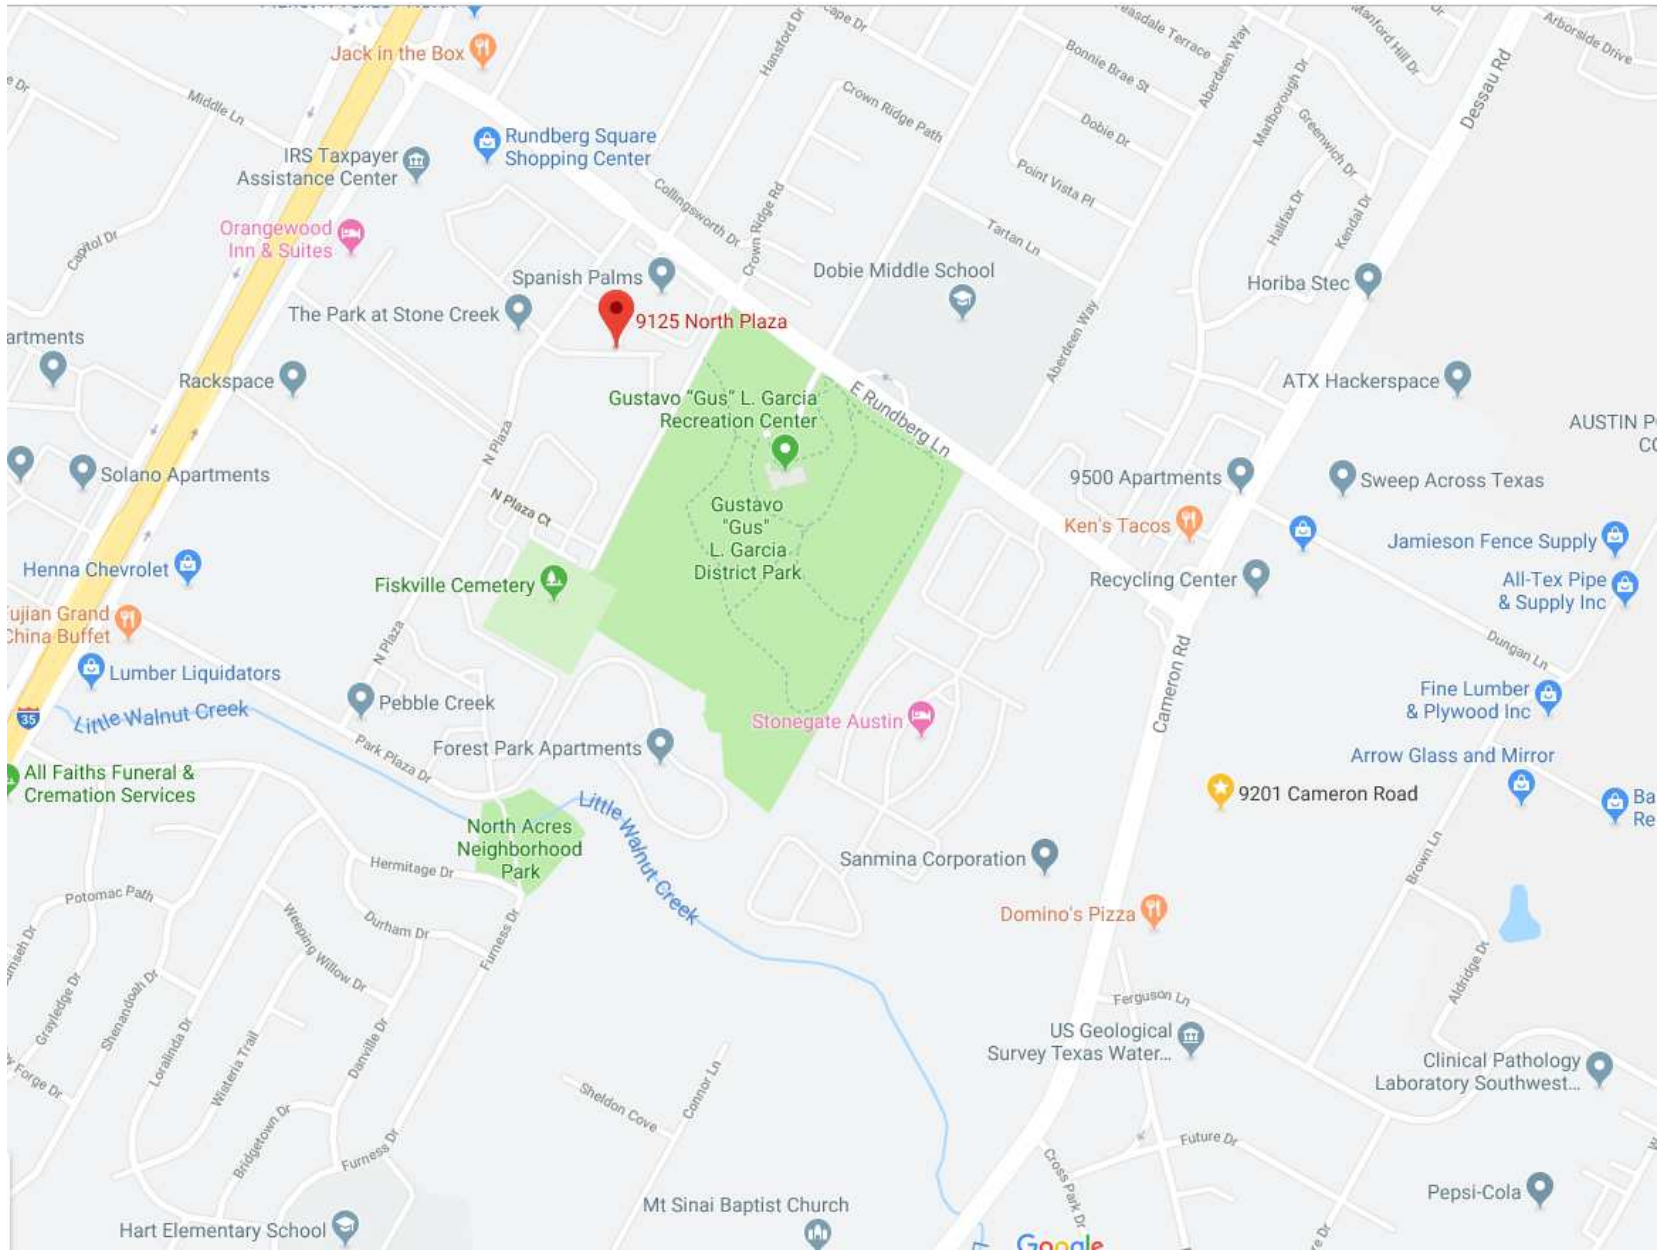

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

ACTION

The Board is being asked to approve Resolution No. 00050: Resolution declaring intent to issue bonds to provide financing for a multifamily residential rental development for persons of low and moderate income (Woodway Village); prescribing certain terms and conditions of such bonds; authorizing the filing of an application for allocation of private activity bonds with the Texas Bond Review Board; and containing other provisions relating to the subject.

SUMMARY

Background:

Austin Affordable Housing Corporation (AAHC) has been presented an opportunity to partner with Dominion on Woodway Village, located at 4600 Nuckols Crossing Road, Austin, TX 78744. The property was built in 2004 and consists of 160 family apartment units. There is a Land Use Restriction Agreement (LURA) on the property restricting all units to 60% Area Median Income (AMI)

The property currently has many unit amenities including fully equipped kitchens, attached garages on every unit, private patio or balcony and washer and dryer connections. The property also has many common area amenities including a clubhouse, perimeter fencing with controlled gate access, fitness center, recreational and wade pools, picnic area with BBQ grills, playground, on-site day care and laundry facility.

This property is located immediately southeast of Signature at Franklin Park, which is located at 4509 East Saint Elmo Road, Austin, TX 78744. We are partnering with Dominion under the same structure: to be admitted as General Partner and then re-syndicate using 4% tax credits and bonds to finance the redevelopment. This location is a rapidly changing area with many new development from multi-family market apartments to retail shopping.

Process:

The property will use a mixture of 4% tax credits and bonds to finance the redevelopment with a total project cost of approximately \$58,000,000. The redevelopment will include improvements to the site, unit upgrades, addressing deferred maintenance, and significant upgrades to the amenities, among other things. Utility monitoring meters and software will be installed to help management identify and address water leaks, which, combined with plumbing fixture replacement, will greatly decrease the current overconsumption of water. All units will be marketed to HACA's Housing Choice Voucher residents.

HACA, through its Public Facility Corporation will issue tax-exempt bonds in an amount not to exceed \$30,000,000. In the January 30, 2019 HACA Board Work Session, the Board set out affordability goals for future acquisitions and developments for AAHC. By serving families with incomes at 60% and below Area Family Median Income, Woodway Village meets these targeted affordability goals.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.
- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

SUMMARY

Background:

Austin Affordable Housing Corporation is being presented with an opportunity to partner with LDG Development to construct a property located at 10400 Springdale Road, Austin, TX 78754 (Northeast Austin) located in the Travis County ETJ. The project (Springdale) consists of 312 family apartment units serving tenants at 60% area median family income. The nearest properties in AAHC's current portfolio (all family sites) are: Sterling Village located at 10401 North Lamar Blvd, Austin, TX 78753 (to the Northwest) and Harris Branch Senior located at 12433 Dessau Road, Austin, TX 78754 (to the North). This is the Board's initial opportunity to review this potential project.

Process:

The development will use a mixture of 4% tax credits and bonds to finance the development with a total project cost of approximately \$58,000,000. All units will be marketed to HACA's Housing Choice Voucher residents. HACA, through its Public Facility Corporation will issue tax-exempt bonds in an amount not to exceed \$45,000,000. In the January 30, 2019 HACA Board Work Session, the Board set out affordability goals for future acquisitions and developments for AAHC. By serving families with incomes at 60% and

below Area Family Median Income, Springdale meets these targeted affordability goals.

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Austin (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Austin Affordable PFC, Inc., a nonprofit corporation (the "**Issuer**");

WHEREAS, on November 5, 2012, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, LDG Springdale, LP, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "**User**"), has requested that the Issuer finance a low income multifamily housing project consisting of up to approximately 312 units to be located at approximately 10400 Springdale Road, Austin, Texas 78754 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$45,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or

an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review Board (the "**TBRB**") for a reservation of state ceiling available to "**private activity bonds**" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

- (a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.
- (b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.
- (c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.
- (d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.
- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

RESOLUTION NO. 00054

Resolution Declaring Intent to Issue Bonds to Provide Financing for a Multifamily Residential Rental Development for Persons of Low and Moderate Income (Yager Lane); Prescribing Certain Terms and Conditions of such Bonds; Authorizing the Filing of an Application for Allocation of Private Activity Bonds with the Texas Bond Review Board; and Containing Other Provisions Relating to the Subject

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Austin (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Austin Affordable PFC, Inc., a nonprofit corporation (the "**Issuer**");

WHEREAS, on November 5, 2012, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, LDG Yager Lane, LP, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "**User**"), has requested that the Issuer finance a low income multifamily housing project consisting of up to approximately 312 units to be located at approximately the 4800 block of E. Yager Lane, Austin, Texas 78653 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$45,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review

Board (the "TBRB") for a reservation of state ceiling available to "private activity bonds" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

- (a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.
- (b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.
- (c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.
- (d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.
- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, the Issuer previously adopted an inducement resolution for the Project (as hereafter defined), which the Issuer desires to amend and restate pursuant to the terms hereof;

WHEREAS, LDG Estates at Norwood, LP, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "User"), has requested that the Issuer finance a low income multifamily housing project consisting of up to approximately 228 units to be located at approximately 916 and 918 Norwood Park Blvd., Austin, Texas 78753 (the "Project") within the boundaries of the Unit in Austin, Texas, and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "Bonds") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or

other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$35,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "Code"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "Application") to the Texas Bond Review Board (the "TBRB") for a reservation of state ceiling available to "private activity bonds" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

- (a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.
- (b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "Contracts"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.

- (c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.
- (d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

- (i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;
- (ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and
- (iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2019 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

- (a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the

principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.

- (b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.
- (c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may

qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“Bond Counsel”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

PASSED this 26th day of June, 2019.
