APPROVAL OF THE FOLLOWING ITEMS PRESENTED IN THE BOARD MATERIALS

ITEM 2: Presentation, Discussion and Possible Action on Resolution No. 00075: authorizing the issuance, sale and delivery of Multifamily Housing Governmental Note (Franklin Park), Series 2020; authorizing the execution and delivery of documents and instruments necessary to carry out the financing of such multifamily residential rental development; and containing other provisions relating to the subject

Austin Affordable Housing Corporation was presented with an opportunity to partner with Dominion Group in 2019 to become the General Partner in an existing development located at 4509 East Saint Elmo Road, Austin, Texas 78744. This property had been built using tax credits and reached its 15 year compliance period expiration. The project (Franklin Park) consists of 163 family apartment units serving residents between 30% and 80% Area Median Income. The Board saw this project originally in February of 2019 for two resolutions to add AAHC as the General Partner and then in June of 2019 for an inducement resolution and tax credit application resolution to apply for a new issuance of bonds/tax credits. This property is located immediately northwest of Woodway Village which is located at 4600 Nuckols Crossing Road, Austin, TX 78744.

The development will use a mix of 4% tax credits and bonds to finance the rehab with a total project cost of approximately \$25,000,000. The development currently consists of 101 two bedroom/one bath units, 49 three bedroom/two bath units and 13 four bedroom/two bath units. Twenty-six units are affordable to tenants earning 30% AMFI and below; 53 units are at 40%

AMFI and below; 52 units are at 50% AMFI and below; and 32 units are at 80% AMFI and below. As with all AAHC properties, all units will be marketed to HACA's Housing Choice Voucher families.

HACA, through its Public Facility Corporation, will issue tax-exempt bonds in an amount not to exceed \$15,000,000. In the January 30, 2019 HACA Board Work Session, the Board set out affordability goals for future acquisitions and developments for AAHC. By serving families with incomes between 30% and 80% Area Median Income, Franklin Park meets these targeted affordability goals. Rehab will include converting a three-bedroom unit to an Accessible unit and converting one three-bedroom and one four-bedroom unit to Audio-Visual impaired units. In addition, the following amenities will be added: a new outdoor bus shelter, new outdoor pavilions, new outdoor pool and pool deck with fabric shade canopies, new outdoor sod play field, new outdoor playground with fabric shade canopies, two new outdoor trash enclosures, four new outdoor charcoal BBQ grill stations and two new monument signs. Renovations to apartment buildings include: improvements to existing interior and exterior fixtures, equipment and appliances. Due to the limited interior scope of work, rehab will be complete with tenants in place following strict COVID-19 guidelines. WNC & Associates, Inc. will provide Equity. JP Morgan Chase will provide the construction loan and an equity bridge loan. Bellwether Enterprise Real Estate Capital, LLC will provide permanent financing.

Board approval authorizes the issuance, sale and delivery of Multifamily Housing Governmental Note (Franklin Park), series 2020; authorize the execution and delivery of documents and instruments necessary to carry out the financing of such Multifamily Residential Rental Development; and containing other provisions relating to the subject.

Director Richie moved the Approval of Resolution No. 00075: authorizing the issuance, sale and delivery of Multifamily Housing Governmental Note (Franklin Park), Series 2020; authorizing the execution and delivery of documents and instruments necessary to carry out the financing of such multifamily residential rental development; and containing other provisions relating to the subject in an amount not to exceed \$15,000,000. **Director Duncan-Hall** seconded the motion. RESOLUTION NO. 00076

Resolution declaring intent to issue bonds to provide financing for a multifamily residential rental development for persons of low and moderate income (Walnut Trace Apartments); prescribing certain terms and conditions of such bonds; authorizing the filing of an application for allocation of Private Activity Bonds with the Texas Bond Review Board; and containing other provisions relating to the subject

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Austin (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Austin Affordable PFC, Inc., a nonprofit corporation (the "**Issuer**");

WHEREAS, on November 5, 2012, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, LDG Walnut Trace, LP, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "**User**"), has requested that the Issuer finance a low and moderate income multifamily housing project consisting of up to approximately 236 units to be located at approximately the southeast corner of Highway 183 and FM 969, Austin, Texas 78725 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$45,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review

Board (the "TBRB") for a reservation of state ceiling available to "private activity bonds" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

(a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.

(b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.

(c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.

(d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

(i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;

(ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2020 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

(a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.

(b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.

(c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that

Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

(a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.

(b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.

(c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.

(d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

(i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;

(ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2020 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

(a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.

(b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.

(c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that

Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers’ execution of the documents.

SUMMARY

Background:

Austin Affordable Housing Corporation is being presented with an opportunity to partner with Bonner Carrington LLC for the first time on a certain 23.76 acre tract of land located within the Austin city limits at approximately 1401 W Howard Lane, Austin, TX 78753. The project (Cypress Creek at Howard Lane Apartments) will consist of 362 family apartment units serving tenants at 60% of median family income. This property will be served by Pflugerville ISD in the following schools: John B Connally High School, Westview Middle School and Parmer Lane Elementary School. The nearest property in AAHC's current portfolio is Heritage Estates at Owen Tech located to the North.

Process:

The development will use a mixture of 4% tax credits and bonds to finance the development with a total project cost of approximately \$71,000,000. The planned development will consist of 118 one bedroom and one bath units, 188 two bedroom and two bath units, 40 three bedroom and two bath units, and 16 four bedroom and two bath units. All units will be marketed to HACA's Housing Choice Voucher residents. HACA, through its Public Facility Corporation is requesting the approval of an issuance of tax-exempt bonds

in an amount not to exceed \$50,000,000. This approval will begin the initial process to submit applications for tax credits and bond approval. Staff will return to the Board in future months to report on the progress and specifically for any and all agreements and approvals.

Staff Recommendation:

Board approval will allow AAHC to file an application for allocation of private activity bonds with the Texas Bond Review Board. Staff will bring this matter back to the Board for final approval to proceed.

RESOLUTION NO. 00078

Resolution declaring intent to issue bonds to provide financing for a multifamily residential rental development for persons of low and moderate income (Cypress Creek at Howard Lane Apartments); prescribing certain terms and conditions of such bonds; authorizing the filing of an application for allocation of Private Activity Bonds with the Texas Bond Review Board; and containing other provisions relating to the subject

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Austin (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Austin Affordable PFC, Inc., a nonprofit corporation (the "**Issuer**");

WHEREAS, on November 5, 2012, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Austin, Texas;

WHEREAS, Cypress Creek Howard Lane, LP, a Texas limited partnership, or such other limited partnership as the sole member of the general partner of the User designates (the "**User**"), has requested that the Issuer finance a low and moderate income multifamily housing project consisting of up to approximately 362 units to be located at approximately 1401 W. Howard Lane, Austin, Texas 78753 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate principal amount up to \$50,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review

Board (the "TBRB") for a reservation of state ceiling available to "private activity bonds" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUSTIN AFFORDABLE PFC, INC. THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

(a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.

(b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.

(c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.

(d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

(i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;

(ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the Mayor of the City of Austin, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2020 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

(a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.

(b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.

(c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that

Bonds issued to reimburse Project costs may qualify for the exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application (“**Bond Counsel**”).
