APPROVAL OF THE FOLLOWING ITEMS PRESENTED IN THE BOARD MATERIALS

ITEM 2: Presentation, Discussion and Possible Action on Resolution No. 00005 by the Board of Directors of South Congress Public Facility Corporation authorizing the PFC to execute any and all documents, or take any other action, that is necessary or desirable to: (1) acquire a leasehold interest in certain real property located in Austin, Texas on which a residential multifamily apartment development consisting of affordable housing units and market rate units and associated amenities is to be constructed and known as Highland Village; (2) sublease the Land to Highland Village Apartments LP, a Delaware limited partnership to facilitate the construction and operation of the Project by the Partnership, including the placement of affordable housing units and market rate units at the Project; and (3) execute any such further documentation as necessary or desirable, including any financing documentation, to facilitate the development of the Project

Austin Affordable Housing Corporation was presented with an opportunity to partner with the NRP Group to develop a property on Highland Mall Blvd and Johnathan Drive called Highland Village, located in the Highland master plan community which is anchored by Austin Community College. AAHC and NRP have previously partnered twice, one property being SOCO II which

is currently under construction and is located on South Congress Avenue and the other being Vega Multifamily located on Southwest Parkway adjacent to the St. Andrews private school. Once built, 50% of the project's units will target individuals and families making 80% area median family income and below. Located in a high opportunity area, this property meets AAHC's goals of providing housing in proximity to jobs, schools, retail and transit. The property, as with all AAHC's properties, will accept Housing Choice Vouchers upon completion.

The Project will provide 299 units: 213 one bedroom/one bath (640-920 sq ft), 81 two bedroom/two bath (1108-1372 sq ft) and 5 three bedroom/two bath (1416 sq ft). At a minimum, 50% of the units will be leased at 80% of Area Median Income. Additionally, employees of ACC will be given a month free rent at their lease signing. Located at 6505 West Highland Mall Blvd, Austin, TX 78752 (Southwest corner of Highland Mall Blvd and Johnathan Drive). Community amenities will include a resort style pool with cabanas, 7,000+ square foot clubhouse and co-working space, state of the art fitness studio with yoga/spin rooms, dog spa, and a full parking structure.

The site is located in the Highland master plan, the redevelopment of the Highland Mall. Redleaf Properties and Austin Community College (ACC) have partnered to bring the project to life. When completed, the master plan will have 1,300,000 sf of high tech innovation space (ACC), 800,000 sf of office space, 1,200 multifamily units, 100,000 sf of retail space, and 230 hotel rooms. The Project is located one block from the light rail station, and the new transportation bond approved a high speed bus line with a dedicated lane on Middle Fiskville Rd, adjacent to Highland, connecting residents to the CBD and the Domain in minutes. The master plan will also contain three public parks, and a hike/bike trail that loops the entire 81 acre master plan.

The PFC financing structure will facilitate a lease of both the land and the improvements to a newly formed partnership. South Congress PFC will lease the land from Redleaf Properties on a 99 year ground lease. South Congress PFC will then turn around as landlord and sublease both the land and the improvements to the partnership for 99 years. At the end of the 99 years both the land and improvements will revert back to Redleaf Properties.

The property will be developed using a combination of equity from NRP and JP Morgan Chase and conventional debt through Zions Corporation, N.A. DBA Amegy Bank. The anticipated close and construction start is July/August of 2020.

Board approval allows Souths Congress Public Facility Corporation to execute any and all documents, or take any other action, that is necessary or desirable to: (1) acquire a leasehold interest in certain real property located in Austin, Texas on which a residential multifamily apartment development consisting of affordable housing units and market rate units and associated amenities is to be constructed and known as Highland Village; (2) sublease the Land to Highland Village Apartments LP, a Delaware limited partnership to facilitate the construction and operation of the Project by the Partnership, including the placement of affordable housing units and market rate units at the Project; and (3) execute any such further documentation financing documentation, to facilitate the development of the Project.

SUMMARY

Background:

The Board of Directors approved Resolution No. 2568 on September 20, 2018 authorizing the creation of South Congress Public Facility Corporation (SCPFC).
