HACA has broken ground on the redevelopment for Pathways at Rosewood Courts to provide new construction of units as well as a culture center, a community green space, and 12 townhouse-style homes that will be available for sale to low-income, first-time homebuyers. Our next redevelopment project, currently in planning, is Pathways at Santa Rita in 2025. Through our subsidiary, Austin Affordable Housing Corporation (AAHC), additional properties that are either developed and/or acquired accept voucher holders, providing greater choice within our service area. In the past year, AAHC added more than 2,000 units to its portfolio, with over 570 additional units currently under construction.</li> <li>2. <b>Optimize the reach and impact of opportunities for residents and clients to improve their quality of life, achieve self-sufficiency, and reach their full potential.</b>  HACA promotes individual responsibility and high expectations, and fosters results-based community partnerships and programs focused on our 5 pillars of health and wellness, homeownership, digital inclusion, workforce development, and youth educational success. Scholarships are provided to eligible students to assist with the cost of higher education and to improve self-sufficiency. Among many resident-oriented programs, HACA launched the Project Based Rental Assistance Family Self Sufficiency program to build upon our Housing Choice Voucher Family Self Sufficiency program to connect families to resources on their journey to self-sufficiency.</li> <li>3. <b>Attract, support, develop and retain a talented and impactful workforce that prioritizes HACA’s values.</b>  HACA invests in our staff, ensures accountability and effective communication, and promotes an innovative, healthy and safe work environment with training and leadership development strategies. This is accomplished through a generous benefit package, wellness programs, tuition reimbursement programs, employee referral program to aid in recruitment, family scholarships, and a hybrid/telecommuting policy. We also periodically conduct salary studies to ensure we are competitive in the local employment market.</li> <li>4. <b>Support organizational efficiency that prioritizes agency resilience, sustainability, and the safety of residents and staff.</b>  HACA undertakes initiatives to assess program and process changes necessary with focus on ongoing development of energy conservation efforts, a secure technology infrastructure, improving business continuity to be adaptable to the ever-changing situations that can interrupt operations, as well as evaluation and promotion of safety measures to further protect residents and staff. One recent project involved water conservation programs for several properties that will result in significant savings over the next two years. More work will be performed to review portfolio energy consumption data to explore more opportunities for conservation and other methods for operating cost reduction and sustainability.</li> <li>5. <b>Foster exceptional customer service and enhance communications with stakeholders to nurture strong partnerships and increase community awareness.</b>  HACA pursues opportunities to implement best practices that enhance communications with customers and stakeholders and promotes awareness of our services within the community. On the horizon is a redesign of HACA’s website to streamline information, reflect new branding and improve the user experience for residents, staff, and stakeholders.</li> </ol>

**D. Affirmatively Furthering Fair Housing (AFFH).**

**D.1 Affirmatively Furthering Fair Housing (AFFH).**  
 Provide a statement of the PHA’s strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

**Fair Housing Goal:** Explore the feasibility to create a regional resource network for down payment assistance programs that are affirmatively marketed to under-represented homeowners.  
**Describe fair housing strategies and actions to achieve the goal**  
 HACA, as one of 10 regional partners, participated in the Central Texas Regional Housing Working group on a Regional Fair Housing Plan. HACA aligns with the City of Austin to address impediments where able/applicable.

**Fair Housing Goal:** Implement Displacement Mitigation Strategies that are related to Disproportionate Housing Needs.  
**Describe fair housing strategies and actions to achieve the goal**  
 HACA is currently redeveloping several properties on the east side of Austin, where displacement is of concern. Those properties will not only provide updated facilities and amenities; HACA is increasing the number of units to allow for more affordable units to help keep more of the impacted populations in place. HACA created a Resident Protection Team that ensures residents faced with relocation are supported and protected, and to minimize disruption and harm during the relocation period.

**Fair Housing Goal:** Encourage developers and landlords who benefit from public funding and development incentives to adopt reasonable policies on tenant criminal history and not discriminate based on source of income.  
**Describe fair housing strategies and actions to achieve the goal**  
 HACA will continue to educate prospective landlords in the Housing Choice Voucher programs regarding the benefit of participating in providing housing to our voucher holders. The Housing Choice Voucher program employs a dedicated Landlord Outreach Specialist to enroll landlords of properties in census tracts with limited affordable housing, as providers of affordable housing through the Housing Choice Voucher program. HACA utilizes the U.S. Census and yearly American Community Survey (ACS) updates to determine and review in which areas of Austin there is little affordable housing, and low minority and socioeconomic status distribution. HACA’s Landlord Outreach Specialist then seeks landlords in these areas to participate in the Housing Choice Voucher program in an effort to deconcentrate poverty, diversify areas of the city, and ensure that affordable housing is available across the community and is accessible to areas of high job concentration and high performing schools. Additionally, HACA’s Family Self Sufficiency (FSS) Coordinators maintain extensive information on local social service providers, childcare providers, and transportation routes that FSS participants are likely to utilize, so that FSS participants can make informed housing choices.  
 Additionally, our subsidiary, AAHC’s properties accept voucher holders at all their developed and/or acquired properties. This provides greater choice for voucher holders who may otherwise not qualify based on the 3 times of rent income requirements
